Kem D Hate

Data Analyst | Reporting & Operations Analytics

klexbykem@gmail.com | Manila, Philippines | linkedin.com/in/kemklexco | klexportfolio.vercel.app

PROFESSIONAL SUMMARY

Data analyst with a background in operations reporting. Uses SQL, Excel, and Google Sheets to turn raw data into clear answers, from analyzing London TfL journey data to compiling daily transaction data into sales reports for leadership at Concentrix. Analyzed Meta Ads and Google Ads results (CPL, CTR, conversions) for 5 agency clients and delivered reports with optimization recommendations.

CORE SKILLS

- Data & Analysis: SQL, Excel (Advanced), Google Sheets, PivotTables
- Reporting: sales and transaction reports, ad performance reports (CPL, CTR, conversions), ETA tracking
- Automation & AI: Google Apps Script, Make.com, Zapier, ChatGPT, Claude, Gemini
- Systems: Salesforce, GoHighLevel, Microsoft 365, Google Workspace

PROJECTS

London Public Transport Analysis | SQL (2026)

- Queried TfL journey data using SQL (SUM, GROUP BY, ORDER BY, ROUND, filtering) to compare transport modes and trends over time.
- Found buses were the most used mode with ~24.9B journeys, ahead of Underground & DLR at ~15.0B.
- Identified 2020 as the lowest year for Underground & DLR (~310M journeys) and May 2012 as the peak month for Emirates Airline (0.53M journeys).

KlexByKem Digirents: Booking Automation (2026)

- Built an end-to-end booking system for a Kodak digicam rental business using Google Apps Script and Make.com.
- Automated booking intake, payment-proof submission, and approval or decline handling, with email notifications for new bookings.
- Tools: Google Apps Script, Make.com, Google Workspace

PROFESSIONAL EXPERIENCE

Customer Service Representative

Wells Fargo | July 2026 – Present

- Maintain 90% CSAT, 90% NPS, and 90% issue resolution across inbound banking account interactions, handling 80–100 inquiries daily.
- Built internal AI-assisted reference tools that reduce information lookup time and improve data accessibility during live calls.

GHL Administrator & Digital Marketing Assistant (Project-Based)

MUNC Digital | July 2026 – August 2026

- Analyzed Meta Ads and Google Ads results (CPL, CTR, conversions) and delivered performance reports with optimization recommendations.
- Supported campaign launches across Meta Ads and Google Ads for 5 clients, contributing to a 20% increase in client leads.

Partner Operations Specialist

Concentrix | January 2025 – May 2026

- Compiled daily transaction data into sales reports for leadership review and prepared pricing quotations through internal platforms.
- Tracked partner inquiries and escalations against 24-hour SLA targets, achieving 100% on-time resolution across assigned accounts.
- Coordinated with vendors and resellers on product availability and delivery timelines, maintaining detailed ETA reports.
