PROFESSIONAL SUMMARY

Customer operations professional with 3 years across banking support, partner operations, and BPO customer service. Maintains 90% CSAT, NPS, and issue resolution while handling 80–100 inquiries daily at Wells Fargo, and achieved 100% on-time resolution on partner escalations against 24-hour SLAs at Concentrix. Builds simple automations and AI reference tools that cut repetitive manual work.

CORE SKILLS

- Customer Support: inbound inquiries, de-escalation, issue resolution, verification and compliance procedures
- Operations: escalation and SLA tracking, vendor and reseller coordination, ETA and sales reporting
- CRM & Systems: Salesforce, GoHighLevel, Microsoft 365, Google Workspace
- Data: Excel (Advanced), Google Sheets, PivotTables
- Project Tools: Notion, Monday.com, ClickUp, Asana, Trello

PROFESSIONAL EXPERIENCE

Customer Service Representative

Wells Fargo | July 2026 – Present

- Maintain 90% CSAT, 90% NPS, and 90% issue resolution across inbound banking account interactions, handling 80–100 inquiries daily.
- Maintain zero recorded compliance exceptions to date while following verification and disclosure procedures.
- Built internal AI-assisted reference tools that reduce information lookup time and improve data accessibility during live calls.

Partner Operations Specialist

Concentrix | January 2025 – May 2026

- Tracked partner inquiries and escalations against 24-hour SLA targets, achieving 100% on-time resolution across assigned accounts.
- Coordinated with vendors and resellers on product availability and delivery timelines, maintaining detailed ETA reports.
- Compiled daily transaction data into sales reports for leadership review and prepared pricing quotations through internal platforms.

Customer Service Representative

Teleperformance | September 2023 – January 2025

- Achieved 90% first-call resolution handling inbound customer inquiries.

GHL Administrator & Digital Marketing Assistant (Project-Based)

MUNC Digital | July 2026 – August 2026

- Built and optimized GHL automated workflows (lead capture, follow-ups, pipeline stages), reducing manual follow-ups.
- Supported campaign launches across Meta Ads and Google Ads for 5 clients, contributing to a 20% increase in client leads.

PROJECTS

Workplace AI Agent, Internal Project (2026)

- Built an AI agent that generates call scripts and answers questions from the company manual, now used by coworkers.
- Advised coworkers and management on using AI to streamline daily tasks.
- Tools: Claude, Gemini, prompt engineering

KlexByKem Digirents: Booking Automation (2026)

- Built an end-to-end booking system for a Kodak digicam rental business using Google Apps Script and Make.com.
- Automated booking intake, payment-proof submission, and approval or decline handling, with email notifications for new bookings.
- Tools: Google Apps Script, Make.com, Google Workspace
